

Miami Valley Cycling Summit Workshop Results

August 14, 2009

Centerville

1. Ways to energize our community to reach bike friendly status:

- Build on community leaders' support
- Host a bike ride with elected officials
- Work with bikeway committee (Centerville/ Washington Township)
- Assess barriers to safety (i.e. 675)
- Find ways to overcome them
- Energize business community downtown
- Present need for bike parking to committee
- Kick off/Explore Safe Routes to School
 - Objections by school district underserved
 - Especially in light of transportation
 - Access to affordable bikes for low-income families
- Form local advocacy group
- Develop local route-finding tool (multiple destinations)
- Create follow-up survey or publicize results of earlier survey
- Define needs and strategies for various population segments
- Energize neighboring communities
- Share progress toward bike-friendliness w/ residents (DDN, Parks News, City, Township News)
- Advocate @ city council and township trustee meetings

2. Perspectives / interests that need to be at the table:

- Park District
- Township
- Schools
- City
- Library
- Businesses (South Metro C of C)
- Home schoolers
- PTA
- Heart of Centerville
- Adjacent communities
- Lower-income represented by?
- Seasoned citizens (St. Leonard's, Bethany, Hithergreen)
- Neighborhood associations
- Healthcare (MV South/ Southview)
- Service Clubs
- Churches

- Rec Center

3. To move forward we need:

- Money (Federal and local and private)
- Advocates
- Whole community commitment
- Outreach/communication of vision/goals
- To find low-hanging fruit
- Celebrate successes
- To use social networking
- A sugar daddy/momma
- Creativity
- Local fundraising (by businesses)
- To call Bill from LAB for help to find money
