

Miami Valley Cycling Summit Workshop Results

August 14, 2009

Dayton A

1. Ways to energize our community to reach bike friendly status:

- Sunday parkway rides
- Media coverage fo events
- Safety P.S. A.'s
- Bicycle rodeos
- Educate public on diversity of different riders
- Educate public on existing bicycle laws
- Web basic resource
- Rotating mayor rides
- Promote group rides (media attention)
- Police ride w/ group rides
- Registration renewal bicycle rules for motorists
- More bike racks
- Created "art" bike racks

2. Perspectives / interests that need to be at the table:

- Motorists
- Dayton Police Dept.
- Pedestrians
- Schools
- Business organizations
- Priority boards
- Public works (signage)
- Legislatures, celebs
- Public groups (MetroParks)
- Sinclair and other regional universities
- RTA
- Bike clubs

3. To move forward we need:

- Regional advocacy groups!
- Media contacts
- Grassroots media
- Engage state government
- Prioritize intrastructure improvment needs
- More \$
- Cultural shift away from car
- Government advisory board

- Integrate with rail transit
