

# Miami Valley Cycling Summit Workshop Results

August 14, 2009

## Kettering

1.

- Encourage riding w/ others
- Identify influencers – members of council, etc.
- Complete Iron Horse Trail
- Info booth at Holiday at Home
- Need task force – citizens, staff
- Hire a bike coordinator – city is large enough
- Bike Information in city newsletters
- More bike racks
- Looking at bike friendly streets for bike blvd
- Bike map
- Education – help with route finding
- Leverage the streams. Think creatively about matching trails

2. Perspectives

- Need to work with neighboring jurisdictions
- “Bike amnesty’ to attract non-riders
- Look at “cyclovia” adaptation
- Close new bike route to cars for opening bash
- Family concerns
- Seniors need to be at table and get them on trikes
- More education for parents and kids
- Get Bmxers and mountain bikers at table
- Use rec center as education/ encouragement center
- Engage non-cyclists in conversation

3.

- Establish citizen advisory/ Action committee
- Share the road safety meeting
- Kettering should work on BFC application
- Create/identify volunteers, leaders
- Bike to Work Day

- Work with Research Park employees
- Kettering Hospital Bike to Work Day?
- Wellness encouragement through city
- Engage Kettering bike shops
- Engage Meijers and Wal-Mart
