3.

1. Identify Community Leaders to be involved
2. Create them
3. Create a date to meet again
4. Create short term and long term goals
5. Strategize ways to have dedicated funding (dedicated human action coordination, bicycling coordinator)
6. Understand what strategic plans may already exist
7. Assess using bikeability checklist (League of American Bicyclists)
8. Identify people who can formally request the local officials take formal action (helpful from citizens)
9. Evaluate whether to move forward as individual jurisdictions or multi-jurisdictional
10. Educate the citizens of what is already going on in the community and vice versa
11. Create “E” teams (based on E’s of league)
12. Educate community on application criteria

Tasks	Who is responsible?	Deadline
Identify community parties interested in moving towards a BFC	Miami township offers meeting space facilitated by FRMP or MVRPC	
Research BFC criteria “tool kit”	Aubrey Merkle	10/15-11/15/09
